Form OP-383 Instructions

Important: Conn. Gen. Stat. §12-692 now also applies the motor vehicle rental surcharge **to the rental of any rental truck**. See **Policy Statement 2002(5)**, *The Motor Vehicle Rental Surcharge and the Tourism Account Surcharge*, for more information.

Filing Instructions

Send **Form OP-383**, *Motor Vehicle Rental Surcharge Annual Report*, and *Schedule A* to the Department of Revenue Services (DRS) on or before February 15, 2005.

Complete *Schedule A* first and enter the information as instructed on the appropriate lines of **Form OP-383**.

Keep a copy of **Form OP-383**, *Schedule A*, and supporting documentation related to property taxes, registration, and titling fees actually paid during calendar year 2004 for at least three years.

Rounding: You must round off cents to the nearest whole dollar on your returns and schedules. Round down to the next lowest dollar all amounts that include 1 through 49 cents. Round up to the next highest dollar all amounts that include 50 through 99 cents. However, if you need to add two or more amounts to compute the amount to enter on a line, include cents and round off only the total.

Example: Add two amounts (\$1.29 and \$3.21) to compute the total (\$4.50) to enter on a line. \$4.50 is rounded to \$5.00 and entered on the line.

Penalty and Interest: In general, penalty and interest apply to any portion of the tax not paid on or before the original due date of the return. Interest is computed on the underpayment of tax at the rate of 1% (.01) per month or fraction of a month computed from the statutory due date to the date of payment.

Late Payment Penalty: If tax is due, the penalty for underpayment of tax is 15% (.15) of the amount due or \$50, whichever is greater.

Late Filing Penalty: If no tax is due, DRS may impose a \$50 penalty for the late filing of any return or report required by law to be filed.
